Sub: One Week Specialized Training Programme on "Packaging of Hazardous Goods and UN Certification"- 18th to 22nd September, 2017 – Chennai.

Greetings from Indian Institute of Packaging.

As you are aware the Indian Institute of Packaging is authorized by the Directorate General of Shipping and Directorate General of Civil Aviation, Government of India for the testing of bulk packages for the carriage of dangerous goods for exports by Sea and Air respectively. The Institute has been providing these services as a competent authority to a large number of packaging materials and package suppliers since 1994. It is noteworthy to mention that the Directorate General of Shipping and Directorate General of Civil Aviation have made it mandatory to take UN Certification for the export of any dangerous goods in order to prevent the risk aspects during storage and transportation of dangerous goods. Considering its importance, the Chennai Centre of Indian Institute of Packaging has planned to organize a Training Programme as mentioned below:

Topic	: Packaging of Hazardous Goods and UN Certification.
Date	: 18th to 22nd September, 2017
Venue	: Indian Institute of Packaging #169, Industrial Estate 2nd Main Road, Perungudi, Chennai-96.
Fees	: Rs. 8850/- (Inclusive of GST) Rs.8260/- (Members/Life time Members of Indian Institute of packaging)

This Programme is benefited to the Delegates from Govt ./NGOs., Professionals & Academicians related to Dangerous Goods Manufacturer, Packaging Industry, Frieght Forwaders and Institutes/Organisation dealing with DG Goods . In this context, may I request you to kindly circulate the brochure to connected Industries and Exporters who will be gathering to participate in this Training Programme & also to avail the benefits from the various Technical sessions which will be delivered by Eminent Speakers during the Training Programme.

Thanking you,
Yours faithfully,

N B LALWANI,
DEPUTY DIRECTOR & REGIONAL HEAD
