

CAPEXIL

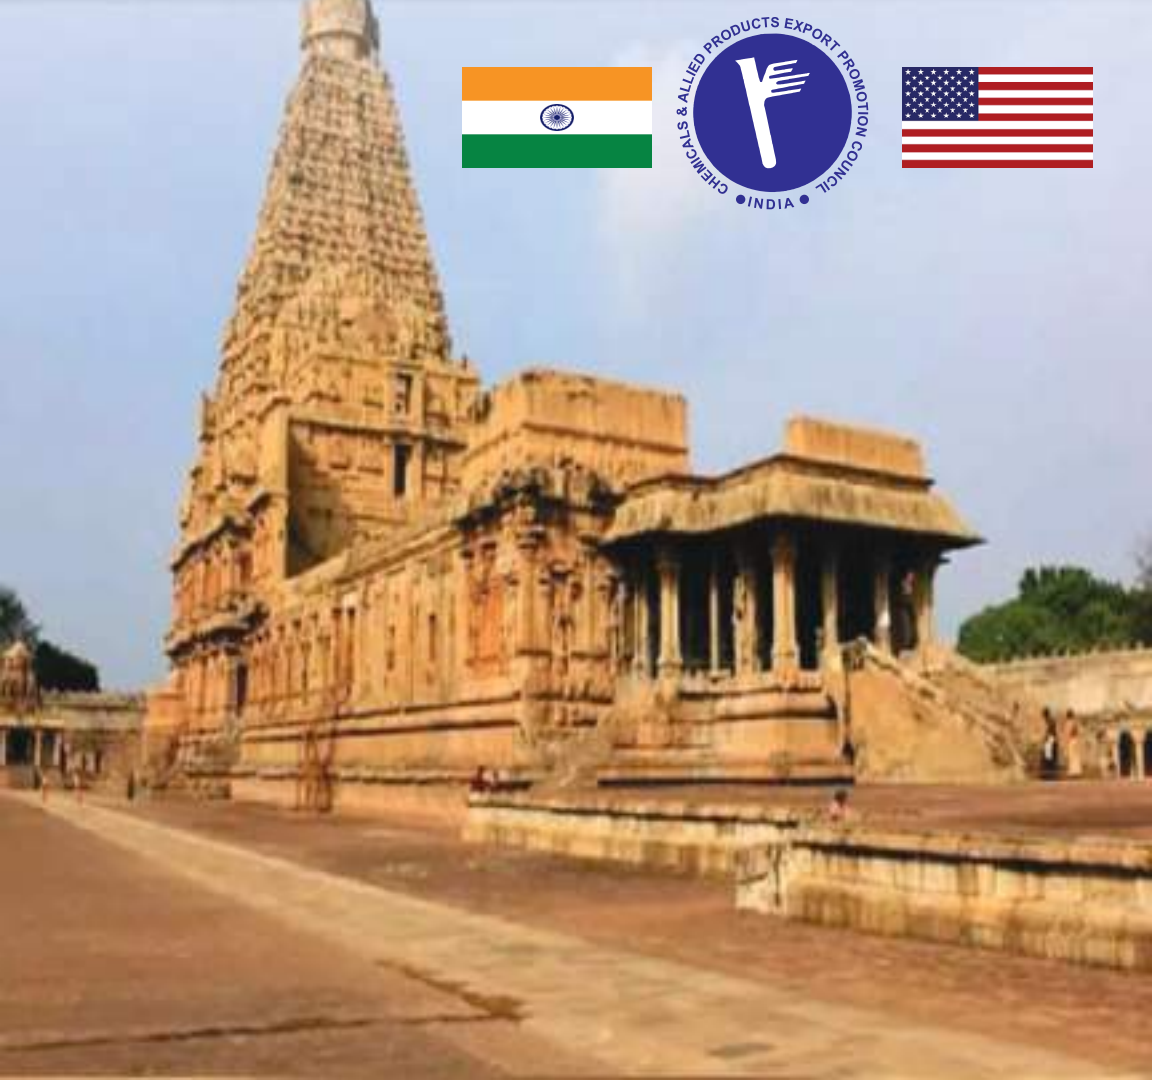

(A PREMIER EXPORT PROMOTION COUNCIL, INDIA)

PARTICIPATION IN
COVERINGS 2022
LAS VEGAS CONVENTION CENTER,
LAS VEGAS, NV

CENTRAL HALL
APRIL 5 – 8, 2022

R. VEERAMANI

**Chairman, Granite & Natural Stone Products Panel (CAPEXIL), India
Southern Region Chairman –CAPEXIL**

The exports of Granite and Natural Stone products from India has reached US\$ 2343 million during 2021-22 and showing a growth of over 7% compared to 2020-21. The major products being exported from India are Granite, Sand Stone, Marble, Limestone, Slate, Quartzite, Pakur stone, Monumental and Building Stone and Slate Stone. The Granite and Natural stone products are exported to more than 100 countries. The major markets for Indian Granite and Natural stone products are USA, UK, China, Vietnam, Bangladesh, Germany, Poland, UAE, Italy and France.

India possesses a wide spectrum of dimensional stones that include granite, marble, sandstone, limestone, slate, and quartzite, spread out all over the country. India is also amongst the largest producer of raw stone material and the sectors is quite developed and vibrant with a dedicated resource of entrepreneurs.

India also has an indigenous resource of machinery and tool manufacturers which cater well to the demands of this sector. The Indian stone industry has evolved into the production and manufacturing of blocks, flooring slabs, structural slabs, calibrated - ready to fix tiles, monuments, tombs stones, sculptures, artefacts, cobbles, cubes, kerbs, pebbles and landscape garden stones.

In the world market, there are nearly 300 varieties of granite of which India supplies about 200 varieties. Out of these, prime varieties represent a wide spectrum of colour, texture and structure. Indian stones are widely regarded across to world for their superior quality and wide range of colours.

The Coverings 22 @Las Vegas, USA show offers a great platform to showcase Indian Granite and Natural Stone products. As a chairman of Granite and Natural Stone Products, wish all our Indian Exhibitors, a great show at Coverings 22, to enhance and further develop the International Trade.

SAMIR KUMAR GHOSH

Chairman - Ceramics and Allied Products incl. Refractories Panel, CAPEXIL,

MESSAGE

On behalf of Ceramics and Allied Products incl. Refractories Panel, CAPEXIL, I extend my best wishes to the member participants of COVERINGS Show 2022, Las Vegas, USA for a successful and memorable participation.

I hope that this drive will be a continuous process and certainly escalate India-NAFTA trade, investment & economic cooperation in the coming days. Nonetheless, I am sure that this participation will be a positive move for development of overall bilateral trade and promote goodwill between India and NAFTA.

I wish this event a great success!

CAPEXIL : THE GLOBAL TRADE FACILITATOR

CAPEXIL, A premier export promotion council was set up on March 28, 1958 by the Ministry of Commerce, Government of India to facilitate and promote export of chemical based and allied products. Over the last six decades it has emerged as a Global Trade Facilitator having around 4000 members with their presence across Pan India dealing with 16 varied different products portfolios.

International developments and Government policies often dictate the course of exports. In its role as facilitator CAPEXIL activates its umbrella network to monitor and analyse these trends. The Government is briefed about ongoing external trade matters and developments within the country impacting spontaneous growth of export in diversified overseas markets so that in the interest of exports policy support are either modified or changed.

SERVICES OFFERED BY CAPEXIL

CAPEXIL endeavors to offer a full range of services including online services to Indian exporters and overseas importers.

- Assisting to identify potential markets, Assisting to overcome export constraints and operational bottlenecks
- To impart training, organize seminars etc. on aspects pertaining to exports A host of other related services like providing important trade leads, incubation centre for small marginal and new exporters.
- Interface for trade and policy related matters. Acts as an interface between the Government and the members regarding trade and policy related matters.
- Dissemination of trade inquiries CAPEXIL can help the sourcing needs of an importer anywhere in the world and also the selling needs of Indian exporters.
- Forum for Trade related issues: Acts as a forum for representation of the trade related issues and acts as a liaison between the exporting community and the Government policy planners, quasi government organizations.

- Liaison with Diplomatic Missions: Liaison with Indian Diplomatic Missions abroad and Foreign Diplomatic Missions in India for promotion of business events and other activities.
- Preparation of Market Reports & Analysis of Trends: Preparation of relevant market reports, analysis of Indian export trend across country, product of other parameters and valuable resource of global trade data.

Company Profile

This company was founded to deliver the best quality standards.

Our journey started in 1991 as processors(Pacific granites), where we soon gained expertise in the stone industry. Over the years has been able to excel in the field of natural stones by ensuring high standards of selection in block procurement; developing strategic alliances with quarries; harbouring relationships with factories in close proximity to quarries; having a relentless focus on quality and a customer centric approach.

Over the last 29 years we set up 2 factories and 1 showroom with state of the art infrastructure, and processing standards to ensure we deliver nothing but the best. We aim to be your most reliable supplier of natural stones. Our strength is access to a wide range of colors from all over the country. We work with a lot of quarry owners and host of factories closest to the quarries in each case, this ensures the most reliable supply. We have a team of dedicated full time quality inspectors working for us at all major processing hubs. We offer stocks in various colors regularly which often includes hard to get colors as well as deals which we negotiate and in turn pass on to our clients.

We are also associated with other manufacturing units in Madurai (Tamil Nadu) , Ongole (Andhra Pradesh) , Chittoor (Andhra Pradesh) , Mysore (Karnataka) , Ilkal (Karnataka) , Kishangarh , Udaipur (Rajasthan) .
