

# CAPEXIL

(A PREMIER EXPORT PROMOTION COUNCIL, INDIA)

PARTICIPATION IN

**PAPER WORLD CHINA 2019**  
NATIONAL EXHIBITION AND CONVENTION CENTER,  
**SHANGHAI, CHINA**

Hall Number : 5.1  
From 15 - 17 NOVEMBER, 2019

The Indian Paper and Paper Products industry achieved exports exceeding USD 2 Billion in the year ended march 2019. Current trends continue to show healthy growth. Our members are Paper Mills, Producers and Convertors of Paper Board and manufacturer of all kinds of Stationery and printed paper products such as Note books, Exercise books, Diaries, Journals, Activity & Educational blocks & books, packagings and various school & office stationery products.

The Indian paper industry manufactures a wide variety of paper and board ranging from 30 Gsm to 600 Gsm, using raw materials such as Wood pulp, Agro waste, Recycled fibre etc. so as to supply writing/printing paper, coated paper, speciality and industrial grade papers as well as hand made paper.

The Indian Printing & Paper conversion industry is efficient, modern and cost effective offering an inviting proposition to international buyers, various global buyers & chain stores are procuring paper & stationery products from India.

The Paperworld China offers a great platform to showcase our products. We at Capexil, wish all our Indian Exhibitors, a great show at Shanghai, and further develop the International Trade.

## **SATISH MALHOTRA**

Chairman Paper, Paper Board and Paper Products Panel (CAPEXIL)

## CAPEXIL : THE GLOBAL TRADE FACILITATOR

CAPEXIL, A premier export promotion council was set up on March 28, 1958 by the Ministry of Commerce, Government of India to facilitate and promote export of chemical based and allied products. Over the last six decades it has emerged as a Global Trade Facilitator having around 5000 odd members with their presence across Pan India dealing with 16 varied different products portfolios.

International developments and Government policies often dictate the course of exports. In its role as facilitator CAPEXIL activates its umbrella network to monitor and analyse these trends. The Government is briefed about ongoing external trade matters and developments within the country impacting spontaneous growth of export in diversified overseas markets so that in the interest of exports policy support are either modified or changed.

## SERVICES OFFERED BY CAPEXIL

CAPEXIL endeavors to offer a full range of services including online services to Indian exporters and overseas importers.

- Assisting to identify potential markets, Assisting to overcome export constraints and operational bottlenecks
- To impart training, organize seminars etc. on aspects pertaining to exports A host of other related services like providing important trade leads, incubation centre for small marginal and new exporters.
- Interface for trade and policy related matters. Acts as an interface between the Government and the members regarding trade and policy related matters.
- Dissemination of trade inquiries CAPEXIL can help the sourcing needs of an importer anywhere in the world and also the selling needs of Indian exporters.
- Forum for Trade related issues : Acts as a forum for representation of the trade related issues and acts as a liaison between the exporting community and the Government policy planners, quasi government organisations.

- Liaison with Diplomatic Missions : Liaison with Indian Diplomatic Missions abroad and Foreign Diplomatic Missions in India for promotion of business events and other activities.
- Preparation of Market Reports & Analysis of Trends : Preparation of relevant market reports, analysis of Indian export trend across country, product of other parameters and valuable resource of global trade data.
