

## **Non-Payment Of Electricity Bill Will Not Result In Any Power Connection Cut Till 14th April: Tamil Nadu Government**

On March 30, 2020 the Tamil Nadu government stated that no power connection will be disconnected for non-payment of electricity bills in Tamil Nadu till the lockdown period ends.

This has been said by the State Electricity Minister P Thangamani. The minister has further stated that **Tamil Nadu Generation and Distribution Corporation** (TANGEDCO) has been instructed to not disconnect any power supply till 14th April, 2020.

He thanked the workers of electricity board who have been working to ensure uninterrupted power supply across the state. Around 80% of the staff are showing up amid the lockdown. He also stated that faults and repairs are immediately being attended to, to ensure uninterrupted power supply.
